He was born in Umeå. He is perhaps best known for his series of mysteries featuring Mons Kalle in an undefined time period in the twentieth century. Ohberg originally wrote the stories in French, translating them into Swedish after the character became popular in Sweden. The first part, Blommor och blodsbärare (Flowers and Blood Samaritans, published 1977) features Kalle and his family, and was followed by Kalle i korthet (Kalle short story, 1978) and Kalle och hans fränder (Kalle and his friends, 1979). Mons Kalle storaffär (Mons Kalle's big business, 1987) was the first part of the series to be translated into English. Ohberg's work was included in The Swedish Book of the Year in 1982 and 1988.
